

**possible only after 01 DEC 2021**

**Extended abstracts (4-8 pages) at the request of the authors (accepted abstracts) can be published in a special issue of the IOP journal of the EES conference series (included in the Scopus databases) and are scheduled for release in early 2022. Participants will need to pay an organizational fee of 9,000 rubles (payment is made after receiving the notification of acceptance of the dissertation to the specified account) and upload word and pdf files to the easy chair system to print the full text of the extended dissertation by January 30, 2022. They are loaded into the Easy Chair system after confirming the inclusion of the report. From December 01, 2021, it will be possible to upload extended abstracts to your personal account <https://easychair.org/my/conference?conf=feb2021>**

**Those authors of articles selected to participate in the Forum program who do not wish to publish extended abstracts in journals indexed in SCOPUS databases pay an organizational fee of 2000 rubles per report.**

**The Organizing Committee reserves the right, on the recommendation of the Program Committee, to exempt especially valuable scientific reports from the registration fee for extended abstract in honor of the quarter-century anniversary of the Forum.**

**Extended abstracts from all those who did not make a presentation at the Forum will not be considered..**
