2001-January-05

Mr. Mankajee Shrestha  
191 Sherbourne Street  
Apt. #402  
Toronto, Ontario  
M5A 3X1

Dear Mr. Shrestha:

The purpose of this letter is to confirm you as an Advisory Member of the Canadian National Committee of the Commission Internationale de l'Éclairage (CNC/CIE). This entitles you to take part, by correspondence, in the activities of the CNC/CIE which are described in the attached information sheets, and to attend our meetings which are held annually. At the annual meeting of the CNC/CIE on October 13, 2000, your interest was noted and the committee was happy to invite you to Advisory Membership.

The CNC/CIE consists of Members and Advisory Members. Members are appointed by the National Research Council usually on the recommendation of the CNC/CIE. Their number is limited and at present there are no vacancies. Advisory Members are unlimited in number and are appointed by the CNC/CIE itself. In practice, the Committee makes very little distinction between the two types in routine discussions and voting.

We are glad that you are interested in the affairs of the CNC/CIE and the CIE. The website indicated below contains information about the CIE and the activities of the various divisions. If there are any of particular interest to you, please feel free to contact the Canadian Division Member, most of whom you may have met at the annual meeting. If not, contact me and I can put you in touch with them.

Yours truly,

A.A. Gaertner  
Secretary, CNC/CIE  
Institute for National Measurement Standards  
National Research Council of Canada  
Ottawa, Ontario K1A 0R6

c.c. S.M. McFadden, President, CNC/CIE

End. CIE, What It Is  
CIE Roster, January 2000  
CNC/CIE Code of Procedure (draft 1993-11-22)

Further CIE information may be found on the CIE website: <http://www.cie.co.at/cie/home.html>
